# Volunteer of The Month

If you shopped at the “Macy’s Shop for a Cause” you saw our **November Volunteer of the Month, Loretta Kilcline**. Pink Tie sold \$1,800 in ticket sales, the most ever in all the years we have been doing this event. Loretta took on this project as chairman and worked tirelessly with her fantastic volunteers on ticket presales and on the day of the event. She thanked all the people at Macy’s who were so friendly and helpful and the customers who surprised her by being so giving in this difficult economy. She felt it was so successful due to a **GREAT TEAM EFFORT!**

After graduating from high school she moved from New York with her parents and two brothers in 1978 to Hobe Sound. She was a hair dresser for twenty-five years and still has a few clients she takes care of. Family is very important and she enjoys doing things with her daughter Gina, a junior at Jensen Beach High School. Gina has been singing in the Jubilate Choir since she was a freshman so Loretta goes to all her concerts. Loretta’s mother is a survivor of breast cancer and a brain tumor and is doing well at 82. Her husband, Tim, had a kidney transplant in July 2009 and Loretta found out this year that she might have breast cancer. All this has made Loretta so thankful for the support they have received and gives her the passion to want to help others in need. She heard about Pink Tie Friends when she could not afford being diagnosed for cancer. They were able to assist her and find that there was no cancer. Volunteering has opened up a whole new family of Pink Tie Friends for her and she thanks everyone for making a difference.
