Jewelry Design Studio applauds the “Pink Tie Friends” organization for their efforts to raise funds & awareness for breast cancer patients & survivors. Their efforts have helped alleviate the financial burdens

of cancer treatment & given new hope to many women. In commemoration of their effort, we have created a “Pink Tie” ribbon pendant & will be donating 5 numbered, limited edition pieces for the “Pink Tie Gala.”

Each piece is made in 18K gold & set with 2ct of pink tourmaline & 1/3ct of diamond. These pieces will be available in 18K white gold, 18K pink gold & 18K yellow gold, made individually in the color choice of the 5 winners. Each pink tourmaline & diamond ribbon pendant is valued at \$1,850.00.

Jewelry Design Studio understands the importance of the “Pink Tie Friends” & will continue to support the organization. Unnumbered “Pink Tie” ribbon pendant editions will be available for sale in pink tourmaline, pink sapphire & pink diamond. Jewelry Design Studio will donate 1/3 of purchase price to the Pink Tie Friends organization for every ribbon sold.
